

IN THE UNITED STATES
District Court For the Western District
of Virginia ROANOKE DIVISION

BRANDON SCOTT THOMAS

CASE NO. 7:16-cr-00017-4

v.

UNITED STATES OF AMERICA, Judge ELIZABETH R. DILLON
United States District
JUDGE

MOOTION
FOR COMPASSIONAL RELEASE
DUE TO COVID-19

Petitioner comes now upon the Honorable Court seeking redress on his request based on not his age but his "pre-existing" and current medical condition.

"HISTORY"

Petitioner pled guilty to various counts related to drug and sex offense by way of sex trafficking. Petitioner was sentenced of 324-months imprisonment.

BACKGROUND

Mr. Thomas was one of five (5) defendants charged in a second superseding indictment. He was charged with Thirteen (13) counts of CRIMINAL Activity: conspiring to sex-traffic at least four victims, Actual trafficking of women through force and coercion, conspiracy to traffic heroin and methamphetamine, distribution of heroin and methamphetamine, possession of a firearm in furtherance of drug trafficking, running a prostitution enterprise and multiple counts of obstruction of justice. On June 17, 2016 Thomas entered a guilty plea to conspiracy to engage in drug trafficking, conspiracy to engage in sex trafficking, sex trafficking, sex trafficking and possession of a firearm in furtherance of a drug trafficking crime.

The Petitioner "humbly request" that the honorable court relate to the further facts of the case history in order to excuse further discussions into the history of the case.

Argumental Request

Petitioner comes now "humbly" before this Honorable court, throwing himself on the mercy of the court.

Petitioner has valid reasons for this request before the court to contemplate

The possibility of if not home confinement
At least At a minimum a reduction
of his sentence due to the COVID-19
pandemic.

The writer of this motion is a lifer
serving 95 years to life and has also
was sentenced to death in a state sentence
who helps other inmates in their
legal issues for basically no financial
gain, but only to rid of a miscarriage
of justice with hopes that the
Honorable Court overlooks a defendant's
criminal actions but to look deeper into
the rational thinking of a defendant
at the time the crimes were committed.

This said, Mr. Brandon Scott Thomas -
comes now with assistance comes
to the court seeking relief even if
minimal due to the COVID-19 virus that
sweeping the world.

That the possibility of a COVID-20 is -
in the near future that will be also
as devastating as the COVID-19 disease

This COVID-20 will be so strong that
it will kill younger people as the
COVID-19 has done mostly the elderly.

This COVID-20 is said to affect
the respiratory system shutting it -
completely down with mucus in the lungs
and affecting the digestive tract causing
the immune system to shut down

3-
 Completely Resulting in the same affects
 of "Aids" And then causing Death.

The Petitioner Realizes that his -
 guilty pleas stated his guilt but now
 he pleading for the possibility to -
 Save his life without "Side Stepping"
 The Actions that he Admitted to

Petitioner has now been incarcerated
 over 4 1/2 years of his 324-month sentence
 At the high end of the plea Agreement.
 Petitioner is now basically "BEGGING" this
 Court for MERCY so he won't "die" in -
 prison because of the deadly COVID-19
 virus and not the future possibility of
 the COVID-20 that would be even -
 Deadlier.

The Petitioner states that he suffers
 from "CHRONIC HIGH BLOOD PRESSURE" that
 he has suffered since the age of -
 16 years old. And now he suffers from
 obesity at the weight close to or -
 over the weight of 409 lbs. Mr. Thomas
 suffers lately from BAD Head Aches -
 due to his blood pressure pre-existing
 condition. His "ASTHMA IS CHRONIC".

Mr. Thomas is attaching to this
 motion his medical Records and
 his mother could verify in an -
 letter to the honorable court his -
 condition as a teen and some
 of his complications due to his

CHRONIC BLOOD PRESSURE PROBLEMS. It don't look good for Mr. THOMAS if - he's infected by either COVID-19 or possibly COVID-20 IF THIS VIRUS COMES INTO FRUITION "LORD FORBIDS" it dose.

Anyway Mr. THOMAS humbly throws - himself upon the court, even if NOT for home confinement due to his sentence structure, he seeks Atleast A reduction of his sentence because, the - WORLD HEALTH ORGANIZATION, And the CDC HAS STATED THAT A VACCINE FOR COVID-19 IS OR WOULD MOST LIKELY BE TEMPORARY. Therefore, he still would be in - grave danger due to future exposure of COVID-19 in the BOP.

PETITIONER IS ONLY REQUESTING ONLY (5) YEARS BE TAKEN OFF OF HIS SENTENCE. Therefore, "MR THOMAS SEEKS (5) YEARS" - reduced from his sentence in which would leave him A TOTAL OF - (13) YEARS TO SERVE and still being exposed to COVID-19 or any other future COVID-related viruses.

The court would still have the JURISDICTION TO "VACATE" MR THOMAS - SENTENCE IF he becomes "VERY ILL" from the COVID-19 or future COVID-20 in the future.

PETITIONER IS BEGGING THAT THE COURT CONSIDER COVID-19 AS A CONDITION

THAT DO CAUSE "IMMINENT DEATH" IN -
 PEOPLE SUCH AS LIKE MR THOMAS WHO
 COULD DIE FROM A "STROKE" IF INFECTED
 BY THE COVID-19 VIRUS.

THE EASTERN DISTRICT OF VIRGINIA HAS
 GIVEN AN INMATE RELIEF BY FILING
 BACK TO THE SENTENCING JUDGE.

MR. THOMAS "REITERATE" HE HAS REMORSE
 FOR HIS ACTIONS THAT HAS CAUSED
 HIS INCARCERATION IN THE BOP, AND
 HAS BEEN REACHING FOR A RACE OF
 REDEMPTION, AND MATURING IN THE
 BOP.

MR. THOMAS HAS BEEN WORKING ON
 HIMSELF HE HIT THE BOP WORKING ON
 HIMSELF AND HE HAS BEEN -
 INFRACTION FREE" THE TIME HERE AT THE
 BOP AND MR. THOMAS HAS COUNTLESS
 ACHIEVEMENT CERTIFICATES THAT BARE -
 WITNESS TO HIS "WILLINGNESS" TO -
 IMPROVE HIMSELF AND HIS CHARACTER.

MR. THOMAS IF THE COURT WANTS TO -
 DO SOMETHING "EXTRAORDINARY" LIKE GRANT -
 HIM HOME CONFINEMENT HE WOULD
 HAVE A HOME TO STAY WITH HIS
 MOM.

MR. THOMAS IS A FATHER OF 3 LIVING
 CHILDREN WHILE 2 OF HIS KIDS ARE
 NOW DECEASED.

Mr Thomas ASTHMA is basically what basically qualifies him for relief because he suffers CRUCIAL ATTACKS do to his problem breathing And his weight condition.

The ASTHMA THAT cuts his breathing OFF AT times causing slight pain in his chest. SEE medical records.

Mr. Thomas is SEEKING only (5) years off his sentence or either reconstruction his sentence where as he could be put on Home Confinement if he becomes ill with COVID-19 or COVID-20.

The five years is only to allow him to look forward to at least (13) years.

Petitioner is only seeking such relief because he do not want to die in prison.

The FACT THAT COVID-19 is once again rising due to people LACK of respect for the danger which exist in society. its just a matter of time that COVID-19 will rise drastically.

Mr THOMAS'S Mother PATTY Ellen Thomas IS herself "disabled" And worries About her SON BRANDON Scott Thomas the petitioner And also opologizes for her son Actions in the past but herself ASK this Court in which the Court will receive a letter Asking or - Begging for some relief due to - Mr. THOMAS'S Asthma and breathenay Problems, Blood Pressure Problems as well as his over weight condition.

Petitioner KNOWS this relief is NOT - left up to the Government but this Honorable Court to Agree to his 5-year Request or An "Extraordinary Remedy" due to his "medical condition" and the FACT that he is remorseful for - his CRIMINAL Acts committed.

The Petitioner ASKS if Possible that a hearing could be set up by phone with his UNLF TEAM Counselors At the Petersburg Correctional Institute because his medical condition qualifies him or (the representation of Counsel)

due to his Request Based on the COVID-19 pandemic affecting his - health conditions.

In the Interest of Justice Counsel should be Appointed.

And A HEARING.

Mr. Thomas IS respectfully requesting
THAT the Court Contemplate the -
following request of A Telephone -
HEARING and being represented
by Counsel.

Justice demands such A request
Due to Mr. Thomas Medical Condition
And the Affect of Covid-19 if contracted
MAY lead to his Death.

The 8th Amendment of the Constitution
forbids CRUEL And UNUSUAL Punishment
therefore Mr. Thomas WAS NOT sentenced
to die in prison or to ANY Death -
penalty. The Coronavirus (Covid-19) IS
before A Death penalty for people who
like Mr. Thomas would be subjected to
due to his Asthma and Blood pressure
chronic conditions.

Mr. Thomas NOW weighs 409 lbs. That he
did NOT weigh when he entered the
SOP. his weight condition contributes
to bad health as well.

Mr. Thomas SEEKS relief requested.

Respectfully
Submitted.
